D.O. No. 1-4/2023-PN. II

Dated the 18<sup>th</sup> January, 2024

Dear Sir / Madam,

I would like to draw your kind attention towards National Education Policy, 2020 which inter-alia stipulates that the faculty excellence will be incentivised by way of appropriate rewards, promotions, recognition and movement into institutional leadership. In order to nurture faculty at different level particularly at the early stage of their career, thereby creating a pool of potential leaders for generational transition, a faculty leadership development programme namely 'Nurturing Future Leadership Program' has been conceptualised under the aegis of Malaviya Mission Teacher Training Programme (MMTTP).

2. This will be a prestigious, selection-based leadership development residential programme of 5 days duration conducted by the top institutions of the country in NIRF management ranking. Permanent faculty of public funded higher educational institutes with at least 3 years of teaching experience shall be eligible for nomination and one HEI can nominate at least 2 faculty for the programme. The cost of the training shall be borne by MoE, however, cost of travel of participants for such training shall be borne by the participant's institute. In case of HEIs opting to nominate more than 2 participants, Institution will have to bear full cost (cost of training and travel cost) for those additional participants.

3. Detailed Guidelines outlining the program along with the list of identified Institutions conducting the program is attached for reference.

4. As the first batch of the program has to be completed before 31<sup>st</sup> March 2024, I would like to request you to disseminate the details of the program amongst the eligible faculties of your Institution and send nominations for participation in the program in any of the institution identified.

Regards.

Encl: As above.

Yours sincerely,

(K. Sanjay Murthy)
