Indian Institute of Management Visakhapatnam

Factsheet

- (1) [Indian Institute of Management Visakhapatnam](#) (IIMV) is an institution of national importance under the Ministry of Education (MoE), Government of India (GoI).
- (2) The **Mission** of IIMV is “To educate and nurture entrepreneurial leaders capable of creating innovative solutions for business, government, and society”. The **Vision** is to be nationally recognized as a distinguished provider of innovative education for entrepreneurial leaders in business, government, and society. In the pursuit of its Mission and Vision, IIMV is guided by the **Core Values** of academic freedom, equity, excellence, professionalism and sustainability.
- (3) Within a decade, IIMV has built a solid reputation for itself, providing comprehensive and holistic management education of high quality, blending theory with practice, to young as well as experienced knowledge-seekers. It is grooming leaders who can contribute as professional managers, entrepreneurs, and stewards of existing and emerging enterprises in the private, public, and social sectors.
- (4) [The faculty of the Institute](#), with PhDs from top notch institutions of India, blend industry experience with their impeccable academic and research credentials, and bring real-world knowledge to the classroom, for learning outcomes of lasting impact. Their peer-reviewed, high-impact research is focused on advancing new knowledge, innovation and thought leadership.
- (5) IIMV offers an on-campus, fully residential two-year flagship MBA program. Its professionally competent, socially responsible pool of management graduates is readily recruited by reputed organizations for challenging roles.
- (6) The full-time PhD program, offered in many management disciplines, receives support from the University Grants Commission, GoI.
- (7) The Institute also offers in hybrid mode:
 - (a) A specially curated Diploma (1st year) + MBA Degree (2nd year) program for the students and alumni of National Institutes of Technology and Indian Institutes of Information Technology, which are Centrally Funded Technical Institutions (Institutions of National Importance) of the GoI, pan-India.
 - (b) A two-year Executive MBA program for working professionals seeking business-management expertise.
 - (c) A modular MBA program with international immersion for the officers of the Defence Sector (public & private), approved by the Department of Defence Production, Ministry of Defence, Govt. of India.
 - (d) An Executive PhD program for experienced professionals keen on sharpening their management-research skills.
 - (e) Many Certificate and Post-Graduate Certificate Programs (four-months to one-year duration) in a variety of business management concentrations.
- (8) The Institute is a sought-after destination for executive education. The sponsors/supporters include Ministries and Departments of GoI, large central public sector enterprises, **the Central Vigilance Commission, the Capacity Building Commission**, the World Bank, and renowned private sector as well as not-for-profit organizations.
- (9) The Institute has one of the fastest growing incubators in the country, [IIMV-FIELD](#) (Foundation for Incubation, Entrepreneurial Learning and Development). Committed to nurturing and promoting startups, its entrepreneurship development initiatives are receiving wide recognition and funding from the Ministries of the GoI as well as reputed public and private sector organizations. The Institute also has the famed Atal Incubation Centre, granted by the NITI Aayog, GoI.
- (10) The Institute caters in a year, to the knowledge-needs of more than 5000 learners, through its on-campus, online and hybrid-mode offerings.
- (11) The Institute is a recognized industrial-research organization by the Department of Scientific & Industrial Research, GoI.
- (12) The Ministry of Social Justice & Empowerment, GoI, endowed at the Institute, the prestigious Dr B R Ambedkar Chair Professorship, the only IIM to be so recognized.
- (13) The Institute is a signatory to the PRME (Principles for Responsible Management Education), an initiative of the United Nations. It also a member of the UN Sustainable Development Solutions Network.
- (14) The 240-acre digitally enabled, scenic and serene campus is equipped with solar energy and captive water-treatment plants.
