RTI application IIMVP/R/T/23/00075 dated 29-07-2023

Subject: Age Limit for Assistant Professor (Grade II) in CFTIs I am a woman candidate with five years of industrial experience in the Electronics Core industry (a well identified, research focussed MNC). I am seeking information regarding the age limit for Assistant Professor (Grade II) recruitment in all Central Funded Technical Institutions (CFTIs). Considering the promotion of industry collaboration in research and the movement from industry to research, I would like to inquire how candidates with industry experience can be eligible under the current age criteria, as many advertisements mention 35 as the age

limit for all general category applicants. With my academic qualifications and experience (17 plus 4 (BE) plus 2(MTech) plus 5 (Industry) plus 5 (PhD) equals 33), I am already 33 years old even when I complete my PhD on time. By the time I will be granted my PhD, I will be 34 years old. Unfortunately, I will not have time to pursue a PostDoc, which is often required for Assistant Professor positions in most CFTIs. Additionally, many times the advertisement-application-recruitment procedure takes 6 to 12 months in most CFTIs, which further adds to my age.

Info: Eligibility criteria for recruitment of faculty positions in the Institute is as per Government of India guidelines. You may visit Institute's website for recent and rolling recruitment notifications for faculty positions.

RTI application IIMVP/R/T/23/00098 dated 09-10-2023

Q1. Please provide details on the current admission policies and reservation quotas for MBA programs in IIMs and other government higher education institutes across India.

Kindly specify whether there are any specific reservation quotas or provisions for Kashmiri Migrants (KMs) in MBA programs at these institutions.

If there are no reservation quotas for KMs, please provide reasons or official statements explaining why such quotas have not been implemented.

Has there been any consideration or discussion at the government level regarding the inclusion of Kashmiri Migrant reservation quotas in MBA programs? If so, please share relevant documents or minutes of discussions.

I request statistics, if available, on the representation of Kashmiri Migrant students in MBA programs at IIMs and other government higher education institutes in recent years.

I firmly believe that the introduction of a reservation quota for KMs in MBA programs would be a step towards ensuring equal educational opportunities for all sections of society. It would also empower deserving students from Kashmiri Migrant backgrounds to pursue higher studies and contribute to the nations growth and development.

RTI application IIMVP/R/T/23/00107 dated 11-11-2023

Q1. What is the eligibility criteria for faculty position at Level 13A1 (PB4 AGP of 9000) in Indian Institute of Technology (IITs)?

Q2. For movement to faculty position based Level 13A1(PB4 AGP of 9000) in Indian Institute of Technology (IITs) is it mandatory to have six years of post PhD experience?

Info: For Q1, Q2 not applicable.

Q3. Is the faculty with 3 years of post PhD experience at PB 3 AGP of Rs 8000 but without 6 years of post PhD experience at regular position in IITs or IIMs eligible for movement to Level 13 A1 at PB 4 AGP of Rs 9000 in IITs or IIMs?

Info: Please refer to Department of Higher Education, Ministry of Human Resources Development (Now Ministry of Education) letters F No. 23-1/2008-TS.II dated 18-08-2009 and 16-09-2009 for provisions related to movement of pay level for faculty members.

RTI application IIMVP/R/P/23/00009 dated 17-11-2023

Q1. Please provide the 90th percentile CBSE board percentage of class 10th and class 12th of the applicants for the PGP batch of 2023-2025 and 2022-2024,

Info:

PGP Batch	CBSE board 90th Percentile	
	SSC (10th)	HSC (12th)
2022-2024	95	92.8

| 2023-2025 | 95 | 92.8 |

Q2. Please specify the criteria for adjusting of graduation marks across Engineering, Science, Commerce, Arts & Others discipline.

Info: At IIM Visakhapatnam, the Graduation will be categorized into streams based on the degree granted to the student and the 90th percentile is found for each stream by using last two years CAT data. The adjusted Graduation score for each student will be determined by dividing their Graduation aggregate marks by the 90th percentile in the corresponding stream.

Now, the mean and Standard deviation (sd) will be calculated for the adjusted Graduation score. Subsequently, the final score will be prepared by using the following formula:

$$\text{Max} [0, \min \{wt, wt/2 + ((val-mean)/sd) * wt/6\}].$$

Illustration: If a candidate's Bachelors degree aggregate is 85% in the Engineering and the 90th percentile for two years data for the stream of Engineering is 86.9. Then the candidate's adjusted Bachelors score is 0.97813578826237; Mean for Engineering stream is 0.869006393995178; Standard deviation for Engineering stream is 0.101739158095556. Then the candidates final score for Bachelors degree by using the above formula will be 2.71509270248855.

Note: If a candidate holds two Bachelors' degrees, the Graduation aggregate score will be established by considering the average of both the degrees.

Q3. Please specify the criteria for assigning weight of professional courses- CA/ICWA/CS.

Info: At IIM Visakhapatnam, the maximum score between the work experience score and the "professional course" (CA/ICWA/CS) score is considered for selection under the common parameter of work experience, as both provide professional work experience relevant to a management program.

The candidate's score in CA/ICWA/CS will be calculated based on the method described in question number 2. Further, the work experience will be calculated for a weight of 10 by using the below method.

Score for Work Experience
$= 5x/12,$ $if\ x < 12$
$= 10,$ $if\ 12 \le x \le 36$
$= 10 - 0.625(x - 36),$ $if\ 36 < x \le 48$
$= 2.5,$ $if\ x > 48$

[where x is the months of work experience up to July 31, 2022, as captured in the CAT application form (and substantiated in the application to IIMV)].

After calculating both the Professional degree score and the Work experience score on a scale of 10, the higher of the two scores will be taken into consideration for the final score calculation.

Illustration: If a candidate's calculated professional degree score is 8 and the work experience is 4, then 8 will be used for the final score calculations.

Q4. Please provide the mean, standard deviation of the Class 10th Scores of the applicants for the PGP batch of 2023-2025 and 2022-2024.

Info: Please find information in Annexire-1

Q5. Please provide the mean, standard deviation of the Class 12th Scores of the applicants for Science, Commerce & Arts streams respectively for the PGP batch of 2023-2025 and 2022-2024.

Info: At IIM Visakhapatnam, there will be no distinct creation of mean and standard deviation for HSC; instead, this will be performed at the board level. For further information,

RTI application IIMVP/R/E/24/00007 dated 30-01-2024

Q1. What was the 90th percentile marks of 10th 12th & Graduation of last year

Info: At IIM Visakhapatnam, the candidates' percentage scores in the 10th and 12th Board exams are initially adjusted by dividing each such score by the 90th percentile score obtained in that Board. The database of 10th and 12th scores of all CAT applicants of the past two years is used for identifying the 90th percentile score for each 10th and 12th Board, for this purpose.

The data pertaining to the year 2023: SSC and HSC 90th percentile data for the respective board is provided in Annexure-1

Q2. How will you scale marks for covid batch

Info: The candidates must obtain equivalent percentages for the grades or pass certificates awarded to them from their respective institutes. However, we do not differentiate in the way the scores are normalised for the 'covid batches'.

Q3. Is there anyone with less than 60% marks in 10th or 12th, fresher, General in the latest batch (yes or no)

Info: No

Q4. How cat score weightage is being given? Is it division by highest cat score?

Info: IIM Visakhapatnam assigns a weightage of 50 out of 100 to the CAT component for Pre-PI score calculation. This allocation is distributed among the three sections as follows:
- Verbal and Reading Comprehension (VARC) – 18 points
- Data Interpretation and Logical Reasoning (DILR) – 14 points
- Quantitative Aptitude (QA) – 18 points

The CAT weighted score for each candidate is calculated using the formula:

CAT Weighted score for Pre-PI = 18*'QA Percentile'/100 + 14*'DI LR Percentile'/100 + 18* 'VA RC Percentile'/100)

RTI application IIMVP/R/T/24/00028 dated 05-03-2024

Application under the life and liberty provision of section 7(1) of the RTI Act 2005, kindly furnish the following within 48 hours.

Q1. Please provide the details of total number of students died by suicide in last 5 years in different educational institutions like IITs, IIMs and Universities of India. (Please provide state wise, institution wise and year wise details)

Info: The 'Life or Liberty' clause can be applied only in cases where there is an imminent danger to the life or liberty of a person and the non-supply of the information may either lead to death or grievous injury to the concerned person. Such imminent danger or the fact that the disclosure of the information would obviate the danger to the life of liberty of an individual has to be demonstrably proven. [Citation: Mr. Pratap Kumar Jena v. Central institute of Psychiatry in Decision No. CIC/SG/A/2012/000814/18825]. Merely claiming that life and liberty of an individual is involved is not sufficient. I find that the applicant has not provided any grounds to claim the life and liberty provision under the RTI Act, 2005. Hence, I treat it as a regular RTI application and a reply is being provided.

First Appeal No. IIMVP/A/E/23/00002 dated 19-06-2023
RTI application No.: IIMVP/R/E/23/00014 dated 29-05-2023

Issue:

I find that the applicant submitted an RTI application seeking information related to the List of candidates selected for PGPEx 2020 program and list of candidates who have successfully completed the course. The First Appeal dated 06-01-2023 is received with ground for appeal as 'Refused access to Information Requested'.

Discussion:

The appellant has argued that the revelation of the names of candidates who have successfully completed the PGPEx2020 should not be construed as access to privacy of the individual. I find that the appellant is not seeking information about himself but is a third party.

The names of those who cleared or could not clear the PGPEx2020 is the personal information of the respective candidate. These results are not put in a public domain and are only informed individually to the students. I find that it would be upto the individual concerned to decide whether or not to disclose such data about himself. The appellant has not disclosed any public interest much less larger public interest involved in seeking such information of the individual candidate. I find that Section 8(1)(j) of the RTI Act, 2005 exempts disclosure of personal information of an individual and this case is squarely covered under it.

The IIMV holds such information in fiduciary capacity and the same is exempt from disclosure under section 8(1)(e).

Order:

I also find that the numerical figures (number of successful candidates) have already been provided by the PIO. As such, I uphold the order of the PIO and reject the appeal under section 8(1)(j) and section 8(1)(e) of the RTI Act, 2005.

First Appeal No. IIMVP/A/E/23/00003 dated 25-06-2023
RTI application No.: IIMVP/R/T/23/00039 dated 24-05-2023

Issue:

I find that the applicant submitted an RTI application seeking information related to the recruitment of non-teaching staff against notification No. IIMV/HR/RECTT/NTS/02/2022 dated 03-09-2022. The First Appeal dated 25-06-2023 is received with ground for appeal as 'Provided Incomplete, Misleading or False Information'.

Discussion:

The appellant has mentioned:

1. "I have requested provide information on the above RTI Application regarding selection process for the position of Accountant against the employment notification dated 3-9-2022. Out of 4 requested information, the reply for following question are inadequate/incomplete."

Reply: No query has been raised and hence, no reply is warranted.

2. Please provide the status of placing the result against the above said post. The progress of entire process of recruitment was not placed in the Official website which could arise the question of transparency in conducting Recruitment in

National level organization. Hence kindly provide the information that details of selected candidates for the post of accountant and place the result at website.

Reply: I find that the status of placing the result has been provided to the appellant by the Public Information Officer as desired. However, in the spirit of the RTI Act, the additional information is provided as under:

"The selection of candidates is purely based on written test, as per the guidelines in this regard. The answer sheets were evaluated by the external experts and the process of recruitment is vetted by a committee constituted by the Competent Authority. After completing all the process in a fair manner, the results are finalized and selected candidates were sent the offers of appointment in Mar-2023. As mentioned in the notification, the Institute communicated the results to the selected candidates"

3. Kindly provide the date of announcement of result for the post of Accountant. The provided information in general not in order. Kindly provide the date of result and offer letter date.

Reply: I find that the information has been provided to the appellant by the Public Information Officer as per the provisions. However, in the spirit of the RTI Act, the additional information for query raised in the first Appeal "Kindly provide the date of result and offer letter date" is provided as under

"The results of selection of candidates was finalised on 06-03-2023. The offer for the selected candidate for the position of Accountant was dated 10-03-2023."

Order

In view of the above, I find that the reply of the PIO is as per the provisions of the RTI Act and I uphold the same. However, the additional information requested by the applicant is provided in the spirit of the RTI Act.

First Appeal No. IIMVP/A/E/23/00004 dated 03-07-2023
RTI application No.: IIMVP/R/E/23/00016 dated 01-06-2023

Issue:

I find that the applicant submitted an RTI application seeking information related to his final aggregate score along with break-up. The First Appeal dated 03-07-2023 is received with ground for appeal as 'No Response Within the Time Limit'.

Order

The CPIO is ordered to provide information to the applicant as per the provisions of the Act. In the spirit of Act, the reply document furnished by the CPIO, which was uploaded in the RTI MIS portal on 03-07-2023 is attached.

First Appeal No. IIMVP/A/E/23/00005 dated 19-10-2023

Reply: Written test is not conducted for selection to the position Library and Information Assistant (library) in the Institute as on date.

Issue in appeal:

I find that in the First Appeal dated 16-10-2023 filed by the applicant reads "Clarification needed for CPIO reply. My question is provide previous question paper and answer key. Sir if written test is not conducted by institute, then how will you selected for the library information assistant posts".

Discussion

I find that the applicant filed an RTI application seeking information related to the question papers and answer key for the written test conducted for the position of Senior Library & Information Assistant in 2017 notification. The Central Public Information Officer has duly responded to all the queries providing the information as per the records, that the Institute has not conducted any written test for selection for the position of the Senior Library Information Assistant in 2017 or later as on date.

I find that as per the records available in the Institute, the Institute has not conducted any written test for selection for the position of the Senior Library Information Assistant in 2017 or later till date. Therefore, the CPIO has provided complete information as sought vide the original RTI application per the provisions of the RTI Act, 2005 The applicant has raised a new query in the first appeal in the form of clarification which is not permissible under the RTI Act, and hence, I uphold the order passed by the CPIO.

Order

In light of above, the reply furnished by the CPIO is held as valid as per the provisions of the RTI Act, 2005 and the appeal is rejected.

First Appeal No. IIMVP/A/E/23/00006 dated 20-12-2023
RTI application No.: IIMVP/R/E/23/00040 dated 19-10-2023

Background

The RTI application filed by the applicant and the reply provided by the CPIO is as under:

Query: Please provide me with the names of all the candidates along with their Category who got admission in IIM VISHAKAPATNAM two year PGP (2020-2022) program.

Information furnished: The information related to the names of the students along with their category is of personal in nature and is exempted from disclosure under the Sec 8(1)(j) of the RTI Act. However, the information related to the number of students is provided under Sec 10(2)(a) of the Act.

Issue in appeal:

I find that in the First Appeal dated 20-12-2023 filed by the applicant with ground for appeal as "Refused access to Information Requested,"

Discussion

The information was provided by the CPIO on 06.11.2023 and the appeal was submitted on 20.12.2023. No reason has been provided by the appellant for the delay in filing the appeal and the appellant has not sought any condonation of delay. However, in the spirit of transparency, the appeal is being taken up.

I find that the applicant filed an RTI application seeking information related to the category of all the students got admission into PGP 2020-2022 program. It is to mention

that the PGP 2020-2022 batch has completed its course and left the campus. The category details of these students is of personal in nature and is exempted under the Sec 8(1)(j) of the RTI Act.

The applicant has made an allegation that one student has used fake caste certificate to get admission. He has further requested in the appeal to ask the state government to form a caste scrutiny committee to verify his original caste by land records of his ancestors.

I find that the appellant has not brought out any larger public interest in disclosure and only made an allegation without any evidence to back it. Further, a request has been made in the appeal to ask the state government to form a caste scrutiny committee to verify the caste of a candidate by looking into land records of his ancestors which is beyond the purview of the RTI Act, 2005.

I observe that the CPIO has provided the information as per the provisions of the RTI Act, 2005 and hence, I uphold the order passed by the CPIO.

Order

In light of above, the reply furnished by the CPIO is held as valid as per the provisions of the RTI Act, 2005 and the appeal is rejected.
